I DON'T LIKE CRICKET... I LOVE IT

The Berries absolutely love cricket, so we were delighted to sponsor Somerset County Cricket Club Twenty20 star Max Waller for this season!

Max is a one-day cricket specialist leg spin bowler, who has played for the county since 2007. He is the second highest wicket taker in Somerset's Twenty20 history, with 114.

We will be supporting Max and the boys all the way, as they aim to reach the Twenty20 Cup Final for the fifth time!

LAUNCH SOMERSET

We're proud to be supporting Launch Somerset, an exciting package designed to give pre-start or new enterprises an opportunity to get a boost, through investment, support and exposure from the local business community.

Head to their website to learn more about it: www.launchsomerset.co.uk

ICYMI: NATIONAL LINK UP!

This is resulting in some exciting changes!

Our Shepton Mallet and Yeovil offices will remain as Red Berry Recruitment, part of the HR GO brand.

Meanwhile, our Bridgwater office has now merged

with the HR GO Recruitment office in Bridgwater. Find more details about the Joint
